

NOTICE

Constitution of Course Monitoring Committee (CMC)

All students of the M. Sc. Chemistry are hereby informed that a Course Monitoring Committee (CMC) is being constituted for each class for the Academic Year 2026-27 to strengthen the teaching learning process and ensure continuous academic quality improvement.

The committee will consist of:

- Class Coordinator-Chairperson
- Two Topper from each class (based on the previous semester CGPA/SGPA)-Student Members

The selected student representatives are expected to:

- Attend Course Monitoring Committee meetings conducted by the Class Coordinator.
- Provide constructive feedback on course delivery, syllabus coverage, teaching methodologies, classroom learning, assignments, and internal assessments.
- Represent the academic concerns and suggestions of their classmates in a responsible and professional manner.
- Contribute to improving the overall teaching-learning environment.

The names of the selected student representatives will be notified separately by the respective Class Coordinator.

All students are requested to extend their cooperation to the Course Monitoring Committee for the successful implementation of academic quality initiatives.

Prof. Dr. V. G. Parale,
Dean, CIR, PG and PhD Studies

Dr. T. R. Bhosale
HoD, Dept. of Chemistry
